## Feeding Hungry Families

Freshly harvested crops are delivered to partner agencies that serve children, and low-income, unemployed, homeless, or elderly individuals and families in our community.

You make a difference for struggling families.  
**Thank You!**

**1,747,000**  
servings of fresh produce were delivered to  
**38** partner agencies

**11,526 lbs**  
were delivered directly to  
**8** schools & agencies serving primarily children

Kids love to get outside, pick their own food, and help others. We do our best to include children in as many harvests as possible throughout the season.
